

Request a DOI

Lib4RI issues DOIs for documents published by the four research institutes within the ETH domain: Eawag, Empa, PSI and WSL. For more information please see [here](#).

Name:*

E-Mail:*

Publication Title:*

Publication Year:*

Publisher:*

Authors:*

Including their ORCID
in brackets if available,
e.g. Name (ORCID)

Further Information
(e.g. book title,
conference details):

Client Agreement:*

I confirm that I have the rights to this publication and give Lib4RI the non exclusive license to publish.

I agree that my document will be published in [DORA](#) with a [CC license](#) ([CC BY](#) strongly recommended).

I confirm that all information provided above is true and complete and there will be no further changes in the metadata.

Next Steps

Once we receive your request, we will send you a reserved DOI link. Please add this link and the CC license to your final PDF and send this to us by email. We will then activate your DOI.

Comments - Do you have any remarks?
